CONTENTS.

FARMERS' BULLETIN No. 551.—THE CULTIVATION OF AMERICAN GINSENG. Page.

Introduction 5
The ginseng plant 6
Starting the plantation 7
The culture of ginseng 8
Ginseng varieties 11
Diseases of ginseng 12
Forest plantings 12
Digging the root 12
Conclusion 13

FARMERS' BULLETIN No. 552.—KAFIR AS A GRAIN CROP.

Introduction 5
Description and adaptation 5
Culture of the crop 10
Uses of the crop 18

FARMERS' BULLETIN No. 553.—POP CORN FOR THE HOME.

Introduction 5
The home plat 6
Choice of variety 7
Planting pop corn 7
Care of the growing crop 8
Harvesting and storing pop corn 8
Hand poppers 9
How to pop corn 10
Home uses 11

FARMERS' BULLETIN No. 554.—POP CORN FOR THE MARKET.

Description of pop corn 5
Varieties of pop corn 5
Extent of production 6
Popping quality 7
Culture of pop corn 8
Market supply of pop corn 15
Does it pay to grow pop corn 16

FARMERS' BULLETIN No. 555.—COTTON ANTHRACNOSE AND HOW TO CONTROL IT.

Introduction 1
Description of the disease 1
Cause of anthracnose 4
Vitality of the fungus 5
Means of dissemination 5
Conditions favoring anthracnose 6
Extent of loss 6
Remedial measures 7
Summary 8

FARMERS' BULLETIN NO. 556.—THE MAKING AND FEEDING OF SILAGE. Page.
Making and feeding silage ... 1
Silage crops ... 2
Harvesting the crop and filling the silo ... 5
Total cost of silage ... 12
Losses of food material in the silo ... 12
Feeding value of silage ... 13
Silage for dairy cattle ... 14
Silage for horses ... 17
Silage for beef cattle ... 19
Silage for stockers ... 20
Silage for fattening animals ... 20
Rations ... 21
Miscellaneous considerations ... 22
Silage for sheep ... 23
FARMERS' BULLETIN NO. 557.—THE POTATO-TUBER MOTH.
Introductory ... 1
Distribution ... 2
Evidence of importance ... 2
Remedies ... 3
FARMERS' BULLETIN NO. 558.—AGRICULTURAL OUTLOOK.
Weather conditions during the past month with relation to crops ... 1
Apple outlook ... 2
Potato outlook ... 3
Hog cholera ... 4
Agricultural forecast ... 6
The cereal crops ... 7
FARMERS' BULLETIN NO. 559.—USE OF CORN, KAFIR, AND COWPEAS IN THE HOME.
Indian corn ... 1
Cooking corn meal ... 4
Kafir corn ... 6
The cooking of Kafir corn ... 6
Cowpeas ... 7
Methods of cooking cowpeas ... 10
FARMERS' BULLETIN NO. 560.—THE AGRICULTURAL OUTLOOK.
Agricultural forecasts ... 1
The cereal crops ... 2
Other crops ... 6
Subtropical fruits and nuts ... 8
Weather conditions during the past month with relation to crops ... 16
The outlook for meat production ... 17
The meat situation ... 17
Need for local markets for live stock ... 20
Future meat supply of the United States ... 23
The influence of the average farm on the meat supply ... 27
FARMERS' BULLETIN NO. 561.—BEAN GROWING IN EASTERN WASHINGTON AND OREGON AND NORTHERN IDAHO.
Introduction ... 1
Limiting factors of bean production ... 2
Cultural methods used in bean production ... 2
Marketing the bean crop ... 9
Varieties of beans grown ... 10
Improvement of seed by selection ... 10
By-products of the bean growing industry ... 11
Conclusion ... 12

FARMERS' BULLETIN NO. 562.—THE ORGANIZATION OF BOYS' AND GIRLS' POULTRY CLUBS.

Page.

Introduction 1
Organization 2
Prizes and awards 4
Four years' work for poultry clubs 4
Publications 5
Management of flocks 5
Marketing eggs 10
Disposition of surplus birds 11
Suggestions to members 12

FARMERS' BULLETIN NO. 563.—THE AGRICULTURAL OUTLOOK.

Crop production in the United States 1
Corn 3
Buckwheat 4
Flaxseed 4
Total United States production of cereals 4

Tobacco 5
Hops consumption 6
Cabbages 6
Subtropical fruits and nuts 7
Tables 9–14

FARMERS' BULLETIN NO. 564.—THE GIPSY MOTH AND THE BROWN-TAIL MOTH, WITH SUGGESTIONS FOR THEIR CONTROL.

Introduction 1
The gipsy moth 3
The brown-tail moth 7
Hand methods for controlling brown-tail moth 12
General hand methods for controlling the gipsy moth 12
Hand methods to be used against the gipsy moth in orchards 15
Hand methods for controlling the gipsy moth in cities and towns 17
Methods of controlling the gipsy moth in woodland 17
Methods of controlling the brown-tail moth in woodland 20
State work against the gipsy moth and the brown-tail moth 20
Work carried on by the Bureau of Entomology 22
Cooperative work 24
The outlook 24

FARMERS' BULLETIN NO. 565.—CORN MEAL AS A FOOD AND WAYS OF USING IT.

Introduction 1
Origin of Indian corn 2
Composition of corn 3
Composition of corn compared to other cereals 4
White and yellow corn and other colors 4
Corn meal 5
Methods of milling 5
Uses of corn meal 6
Relation of corn meal to the balanced rations 7
Combination of corn meal with more highly flavored foods 8
The cooking of corn meal 8
Corn-meal mush and similar dishes 9
Corn meal and meat dishes 13
Corn-meal bread 14

FARMERS' BULLETIN NO. 565.—CORN MEAL AS A FOOD AND WAYS OF USING IT—Continued. Page.
Corn-meal puffs, griddle cakes, and waffles. . . . 21
Corn-meal puddings. . . . 22
Corn-meal cakes. . . . 23
FARMERS' BULLETIN NO. 566.—BOYS' PIG CLUBS.
Introduction. . . . 1
Objects of the work. . . . 2
The organization of boys' pig clubs. . . . 2
General observations. . . . 6
Summary. . . . 14
Suggestions for preventing hog cholera. . . . 14
Appendix. . . . 15
FARMERS' BULLETIN NO. 567.—SUGAR-BEET GROWING UNDER IRRIGATION.
Introduction. . . . 1
Selection of soil. . . . 1
Climatic conditions. . . . 3
Plowing. . . . 5
The seed and root beds. . . . 6
Drainage. . . . 8
Irrigation. . . . 9
Holding moisture. . . . 12
Planting the seed. . . . 13
Spacing and thinning. . . . 15
Cultivating. . . . 17
Hoeing. . . . 18
Harvesting. . . . 19
Crop rotation. . . . 20
Fertilizers. . . . 21
Live stock. . . . 22
By-products. . . . 23
Summary. . . . 25
FARMERS' BULLETIN NO. 568.—SUGAR-BEET GROWING UNDER HUMID CONDITIONS.
Soil. . . . 1
Climatic conditions. . . . 2
Plowing. . . . 4
Fitting seed and root beds. . . . 5
Drainage. . . . 6
Holding the moisture. . . . 8
Planting. . . . 8
Spacing and thinning. . . . 10
Hoeing. . . . 12
Cultivating. . . . 12
Rotation. . . . 14
Live stock. . . . 15
Fertilizers. . . . 15
Harvesting. . . . 16
By-products. . . . 18
Summary. . . . 20
FARMERS' BULLETIN NO. 569.—TEXAS OR TICK FEVER.
Introduction. . . . 1
Name and synonyms. . . . 1
Definition. . . . 1

	Page.
FARMERS' BULLETIN No. 569.—TEXAS OR TICK FEVER—Continued.	Page.
History	2
Cause of the disease	4
Life history of the cattle tick and the part played by it in producing Texas fever	4
How to distinguish harmless ticks found on cattle from Texas fever	6
Some apparent exceptions to the tick as a carrier of Texas fever	10
Other injurious effects of cattle ticks	12
Loss occasioned by cattle ticks	13
Period of development of disease after exposure to ticks	15
Symptoms	15
Appearance after death	16
Course and termination of the disease	17
Ineffective character	18
Animals affected	18
Diseases mistaken for Texas fever	18
Prevention	19
Immunization of susceptible cattle	22
Other important measures for reducing the infected area	23
FARMERS' BULLETIN No. 570.—THE AGRICULTURAL OUTLOOK.	
Introduction	1
Estimated farm production of 1913	5
Price tendencies	17
Tendency of yield per acre	18
The national surplus	18
Area and condition of grain	19
Wages	20
Principal farm expenses	21
Subtropical fruits in California and Florida	21
Apple shipments, 1913	22
Durum wheat movement, 1912–13	23
FARMERS' BULLETIN No. 571.—TOBACCO CULTURE.	
Introduction	1
Classes and types of tobacco	1
The culture of cigar tobaccos	2
The culture of the export and manufacturing types	10
Insect enemies of tobacco	15
FARMERS' BULLETIN No. 572.—A SYSTEM OF FARM COST ACCOUNTING.	
Introduction	1
Time required to keep accounts	2
Bookkeeping knowledge unnecessary	2
A favorable time to start accounts	2
Requirements for keeping a complete set of farm cost accounts	3
Classification of farm products and feed	9
Classification of troublesome items	9
Miscellaneous notes	10
Closing the accounts at the end of the year	11
Study and interpretation of results	14
FARMERS' BULLETIN No. 573.—THE ANGORA GOAT.	
Introduction	1
Origin and distribution	3
Description of the American Angora	4
Importance of the Angora	4
Value and use of mohair	6

FARMERS' BULLETIN No. 573.—THE ANGORA GOAT—Continued. Page.
Care of fleece 8
Angora mutton 8
Adaptability of Angoras 9
Building up a flock 10
Management of the flock 10
Associations 16
Score cards for Angora goats 16
FARMERS' BULLETIN No. 574.—POULTRY HOUSE CONSTRUCTION.
Poultry house and fixtures 1
Essentials in poultry houses 1
Yards and fences 2
Construction of poultry houses 2
Paint 20
Whitewash 20
FARMERS' BULLETIN No. 575.—THE AGRICULTURAL OUTLOOK.
Introduction 1
Estimates of farm animals 5
Meat production and consumption 23
Stocks of potatoes January 1, 1914 29
Wheat crop of the world 31
Crop-value comparisons 32
